

WHAT DOES IT LOOK LIKE TO LEAVE A LEGACY?

Taking time to create a God-honoring estate plan helps us to pause and consider the legacy we will leave behind. It helps us to think through important questions such as:

- Does my will reflect what is most important to me and my family?
- What kind of legacy do I want to leave for my children?
- How would an inheritance to my children impact their lifestyle?
- What are the beliefs and values I want to pass along to the next generation?
- Does my will reflect my love for Christ, my church, and my favorite ministry organizations?

TIME TO MAKE A DIFFERENCE

The process of freshening or creating your will is a simple task that can have an immeasurable impact—not only on your loved ones but also on the lives of countless others. Impacting Lives
for Generations

How you can change lives with
a God-Honoring will.

Think for a moment of someone who has positively impacted your life, perhaps a grandparent or coach. What was it about them that left such an important mark on your life? If we were to ask a roomful of people this question, we would likely find a common thread in their responses—they inspired me to do something meaningful with my life or were a wonderful example. Did you know you can have that same level of impact by partnering with us?

When you get involved with the work of **Healing House**, you step into an opportunity to impact lives for eternity by helping individuals deal with their addictions. No matter how you support **Healing House**, your story automatically intersects with the stories of countless local people in need. We would like to introduce you to some very practical ways we can work together to create even greater impact.

MAKE AN ETERNAL IMPACT!

How a gift in your will can change lives for eternity

One of the most creative ways you can impact lives is through the legacy you leave behind. You may have family members you want to bless and inspire, as well as ministries like **Healing House** that you want to support. These are powerful ways to communicate what is most important to you and ensure your life points others to Christ. When you leave a gift in your will to **Healing House**, you can be sure it will positively impact lives, meet needs and restore hope.

A gift in your will does not have to be large to make a difference. Just a small percentage of what is left after your loved ones are provided for can make an eternal impact for the cause of Christ. Perhaps you are reading this brochure and have already included **Healing House KC** in your will or estate plan. If so, thank you! We are so humbled and grateful you have made this decision.

By choosing to bless us, you are paving the way for lives to be changed and setting a powerful example for your family.

WHY HAVING A WILL IS IMPORTANT

For many people, a will is an expression of their belief that God owns everything and wants us to manage the resources entrusted to us before and after we die. However, nearly 70% of adults do not have an up-to-date will. Creating or updating your will can become an act of worship because it allows you to reflect on the many ways God has blessed you in your lifetime and then respond with gratitude and God-honoring stewardship. Here are several reasons why it is important to create or update a will:

- You decide who will be the next steward of the resources God has entrusted to you.
- An up-to-date will reflects changes in your family, financial situation, or tax laws.
- You determine who will care for your children and how your assets should be distributed.
- You can help your favorite charitable organizations such as Healing House, creating eternal impact and ensuring this work continues for years to come.
- Your family will avoid unnecessary costs and hassle.
- You will have peace of mind knowing that your house is in order.
- You can be certain your will is a true reflection of what you value most.
